REPUBLICAN PRINCIPLES	Republican Candidate Comments:
<p>The United States of America is a Constitutional Republic, not a Democracy. Our Constitutional Republic is codified within the United States Constitution, which is the Supreme Law of the land. Our Constitution flows directly from the Declaration of Independence and the invaluable life experiences of our Founding Fathers. It is not subject to the whims of democracy. All efforts to redefine the United States of America as a “Democracy” shall be resoundingly rejected by this party.</p> <p>We believe in limited government, individual liberty, natural rights, and personal moral responsibility. Government	
<p>Preamble: The Constitution of the United States is the supreme law of the land and should be interpreted according to the original intent of the founding fathers as explained in the federalist papers. We call for reaffirmation of our God-given rights enumerated in the first ten amendments, the Bill of Rights. The Declaration of Independence, Articles of Confederation, Ordinance of 1787: The Northwest Territorial Government, and the Constitution of the United States together establish the exclusive basis of the rule of law for our nation. These Organic Documents supersede all subsequent legislation, judicial decisions, and declared emergencies.
