

PETITION FOR RESIGNATION OF BECKY CARSON & RYAN DEATHERAGE

PETITION TO CALL FOR THE RESIGNATION OF BOARD MEMBERS BECKY CARSON AND RYAN DEATHERAGE

We, the undersigned citizens of Oklahoma, respectfully call for the immediate resignation of Oklahoma State Board of Education members Becky Carson and Ryan Deatherage due to their irresponsible and defamatory conduct unbecoming of public officials.

On multiple occasions, Ms. Carson and Mr. Deatherage have made public statements accusing State Superintendent Ryan Walters of displaying inappropriate material on a television screen in his office. These claims, which were widely disseminated through various media outlets, were not supported by any photographic or video evidence. The only known content playing at the time of the incident was a segment from Fox News, which was airing retrospective footage of professional wrestler Hulk Hogan following his passing.

Despite the lack of proof, these board members proceeded to sensationalize the incident,

characterizing it with graphic language and insinuations intended to damage Superintendent Walters' reputation and undermine the credibility of the office

he holds. Their actions have created unnecessary public controversy, distracted from the vital mission of improving education in Oklahoma, and contributed to a toxic political environment.

Furthermore, their decision to spread these unverified allegations to the press without following due process, and without first attempting to clarify the situation through appropriate internal channels, raises serious questions about their judgment and fitness to serve on the State Board of Education.

As public officials entrusted with shaping the future of education in our state, board members must be held to the highest standards of integrity, accountability, and professionalism. Reckless conduct rooted in personal or political vendettas has no place in our educational institutions.

Therefore, we the undersigned demand the immediate resignation of Becky Carson and Ryan Deatherage from the Oklahoma State Board of Education.

It is time to restore trust, dignity, and focus to the important work of advancing education for all Oklahoma students.
