

PLATFORM OF THE OKLAHOMA REPUBLICAN PARTY

The United States of America is a Constitutional Republic, not a Democracy. Our Constitutional Republic is codified within the United States Constitution, which is the Supreme Law of the land. Our Constitution flows directly from the Declaration of Independence and the invaluable life experiences of our Founding Fathers. It is not subject to the whims of democracy. Our Constitution narrowly defines the rights of the federal government, and those powers not enumerated to it are reserved to the States or the People respectively. All efforts to redefine the United States of America as a "Democracy" shall be resoundingly rejected by this party. We believe in limited government, individual liberty, natural rights, and personal moral responsibility.

We believe Oklahoma should be a place of opportunity where people who work hard and abide by just and equally applied laws can pursue their own dreams with a reasonable expectation of success.

MESSAGE FROM OUR CHAIRMAN

Welcome to the Washington County Republican Party! We are committed to the founding principles that made our nation great - defending life, liberty, and property.

Are you interested in connecting with like-minded neighbors who share your desire to defend our God-given rights? Then you've come to the right place! Here in Washington County, we train and equip our members to support the Republican platform, track legislation, and hold elected officials accountable to Republican principles. We want elected Republican officers to represent our shared family values. Our ultimate goal is to protect and preserve the Constitution and to defend liberty.

We look forward to meeting you!

Chairman Vic Severin

"Liberty must at all hazards be supported. We have a right to it, derived from our Maker. But if we had not, our fathers have earned and bought it for us, at the expense of their ease, their estates, their pleasure, and their blood."

JOHN ADAMS
