THE KAY COUNTY GOP ENDORSES JADAN TERRAZAS FOR OKLAHOMA STATE SENATE DISTRICT 10

[Ponca City, Oklahoma] - The Kay County Republican Party is excited to announce its endorsement of Jadan Terrazas in the Republican primary for Oklahoma State Senate District 10 to be held on Tuesday, June 16th, 2026.

A lifelong Oklahoman, Ponca City native, and Patriotic Christian conservative, Jadan Terrazas represents the principled leadership needed to advance conservative values, protect our communities, and deliver results for District 10, which includes the majority of Kay County, all of Osage County, and parts of Tulsa County.

This endorsement was unanimously approved on May 14th, 2026, by a vote of the County Committee, the party's official governing body.

"Jadan has been involved with our party for over 10 years and has demonstrated a solid grasp of the issues and the foundational Biblical principles that have allowed this 'experiment in self-government' to continue for 250 years," said Vice Chairman Nathan Voelkers. "He has already shown his singular commitment to representing 'We the People' by stepping away from a successful career, refusing all lobbyist money and putting in the hard work to campaign on the doorsteps across the district. Jadan is a refreshing example of a new generation of conservative leadership, and we are excited to endorse Jadan Terrazas to represent us at the State Capitol."

Chairman Joe Vaden added: "I have every confidence that Jadan will uphold conservative, Biblical values and refuse to be swayed by any lobbyist influence. We can count on him to represent the people of Senate District 10 and to be a faithful guardian of our Constitutional rights."

In accordance with Oklahoma Republican Party rules, Terrazas has completed the platform survey and received the "OKGOP Certified" designation for agreeing with at least 80% of the platform and fulfilling all additional requirements. His marked-up platform is available for review at: OKGOP.com/certified.

In response to the endorsement Terrazas said "I've been attending the Kay County GOP meetings since I was 16 and could drive myself to them! What makes a political party strong is its grassroots volunteers and leadership, which is exactly the crowd who are the lifeblood of the GOP in Kay County. I'm honored to have their backing, as the only OKGOP Certified candidate in this primary race for SD10, and look forward to winning on June 16th and finally giving the Republicans in Kay County a true Conservative to represent them at the Capitol."

Terrazas, who graduated from Ponca City High School and earned a bachelor's degree from Oklahoma State University, brings practical private-sector experience as a former Senior Operations Manager for Amazon, where he managed a staff of 1,200 employees and 28 managers. He is running to champion key conservative priorities: strong support for the Second Amendment, pro-life values, parental rights in education, and reducing government overreach.
